YEARBOOK STAFF HONORS ADMINISTRATOR

Zealous educator, administrator, athletic booster---Mr. Loren Goodheart is all of these. Since he assumed the role of principal of Stockton High School a year ago, Mr. Goodheart has tirelessly sought the best interests of the school and its personnel.

In recognition of his affability, and his altruistic devotion to education, the staff dedicates the 1971 TIGER to Mr. Loren Goodheart.

A Time For Us

A time for us
Some day there'll be
When chains are torn
By courage born
Of a love that's free
A time when dreams
So long denied can flourish
As we unveil the love we now must hide

A time for us
At last to see
A life worthwhile for you and me
And with our love
Through tears and thorns
We will endure
As we pass surely through every storm

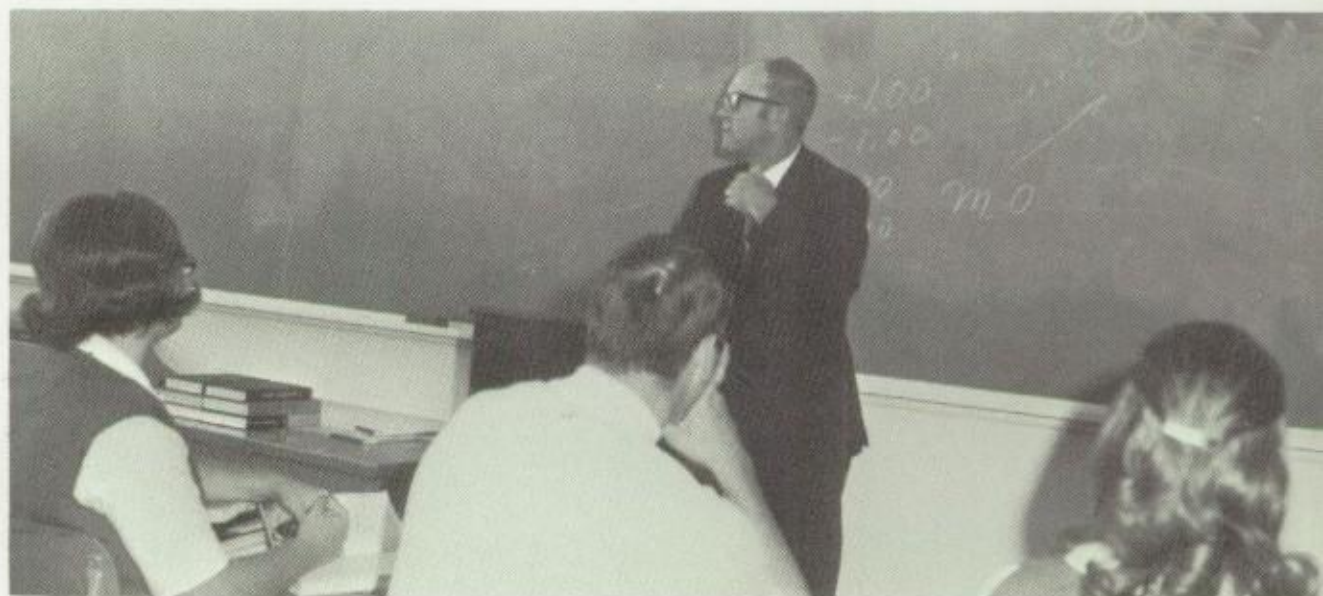

A time for us
someday there'll be
A new world
A new world of shining hope for you and me.

Stockton High School's 1970-1971 year was more than the classroom, the laboratory, or the library. It was A TIME FOR US, abounding with opportunities for pursuing individual interests and for developing talents. The tireless effort and mutual cooperation displayed by the faculty and the student body provided memories never to be forgotten...

The SHS "Administration, Faculty, and Staff" performed an extremely vital function in the school system by assuming the several and varied roles of instructor, counselor, and friend. These roles were assumed willingly and altruistically to the zenith of excellence.

As instructors, the faculty members were instrumental in encouraging scholastic achievement by correlating their curriculum with the abilities and personal plans of each student. As counselors, they became a valuable source of advice and recommendation to those who frequently sought such aid. And finally, many students found their teachers to be an older and wiser friend.

The SHS "Students" succeeded in making this year A TIME FOR US in all fields of endeavor--academics athletics, music, and extra-curricular activities. The cooperation displayed by each of the four classes in these four areas did not go unnoticed by their fellow classmates, by the faculty, or by the townspeople.

The SHS Tigers made each field of athletics--football, basketball wrestling, and track--truly A TIME FOR US. The Tigers' abilities were equaled only by their high standards of sportsmanship. The spirit displayed by their supporters greatly encouraged them and made winning worthwhile.

Student life was filled with the enjoyment provided by extra-curricular activities. A TIME FOR US represents the ability of Stockton's active students to make organizations and activities fun and worthwhile for both themselves and others.

For four years, High School is A TIME FOR US, then it is no more. Upon graduation from SHS, each Senior realizes that the previous four years have been a period of maturation and a period of learning. He also finds that his future will depend upon the extent to which he has absorbed and utilized the instruction received in High School.

By reviewing the 1970-1971 school term and relating its highlights--both humorous and sad--this 1971 edition of the "Tiger" will endeavor to preserve for sentimental value the memories of this past year. It was indeed A TIME FOR US...

Get Shot At 2A Title

Tigers Claw Out 22-16 Triumph Over Ellinwood

SHS Football Trophies

A great second half comeback gave our Tigers a 22-16 win and a shot at the State championship as they defeated the Ellinwood Eagles in the 2A Regional Playoffs at Ellinwood.

Down 16-0 at halftime, it looked bad for Coach Becker and the Tigers, but it was a different story during the next two quarters. The offense and defense went to work and our Tigers scored three touchdowns while Ellinwood remained scoreless.

Title Bid Falls Short

The Tigers came out on top in the statistics but fell short in the point column as they dropped a 26-14 decision to Prairie View of LaCygne in the State Class 2A Championship battle at Salina.

The Tigers, moving the ball well all through the game, were hampered by pass interceptions and fumbles. Five times they got within scoring range and only twice did they score.

Prairie View took the lead in the first quarter as their quarterback sneaked over from the seven-yard line. However, the Tigers came back in the second quarter, and the score read 8-6, Stockton. Just before half, Obermier of Prairie View broke through to take the lead again, 12-8.

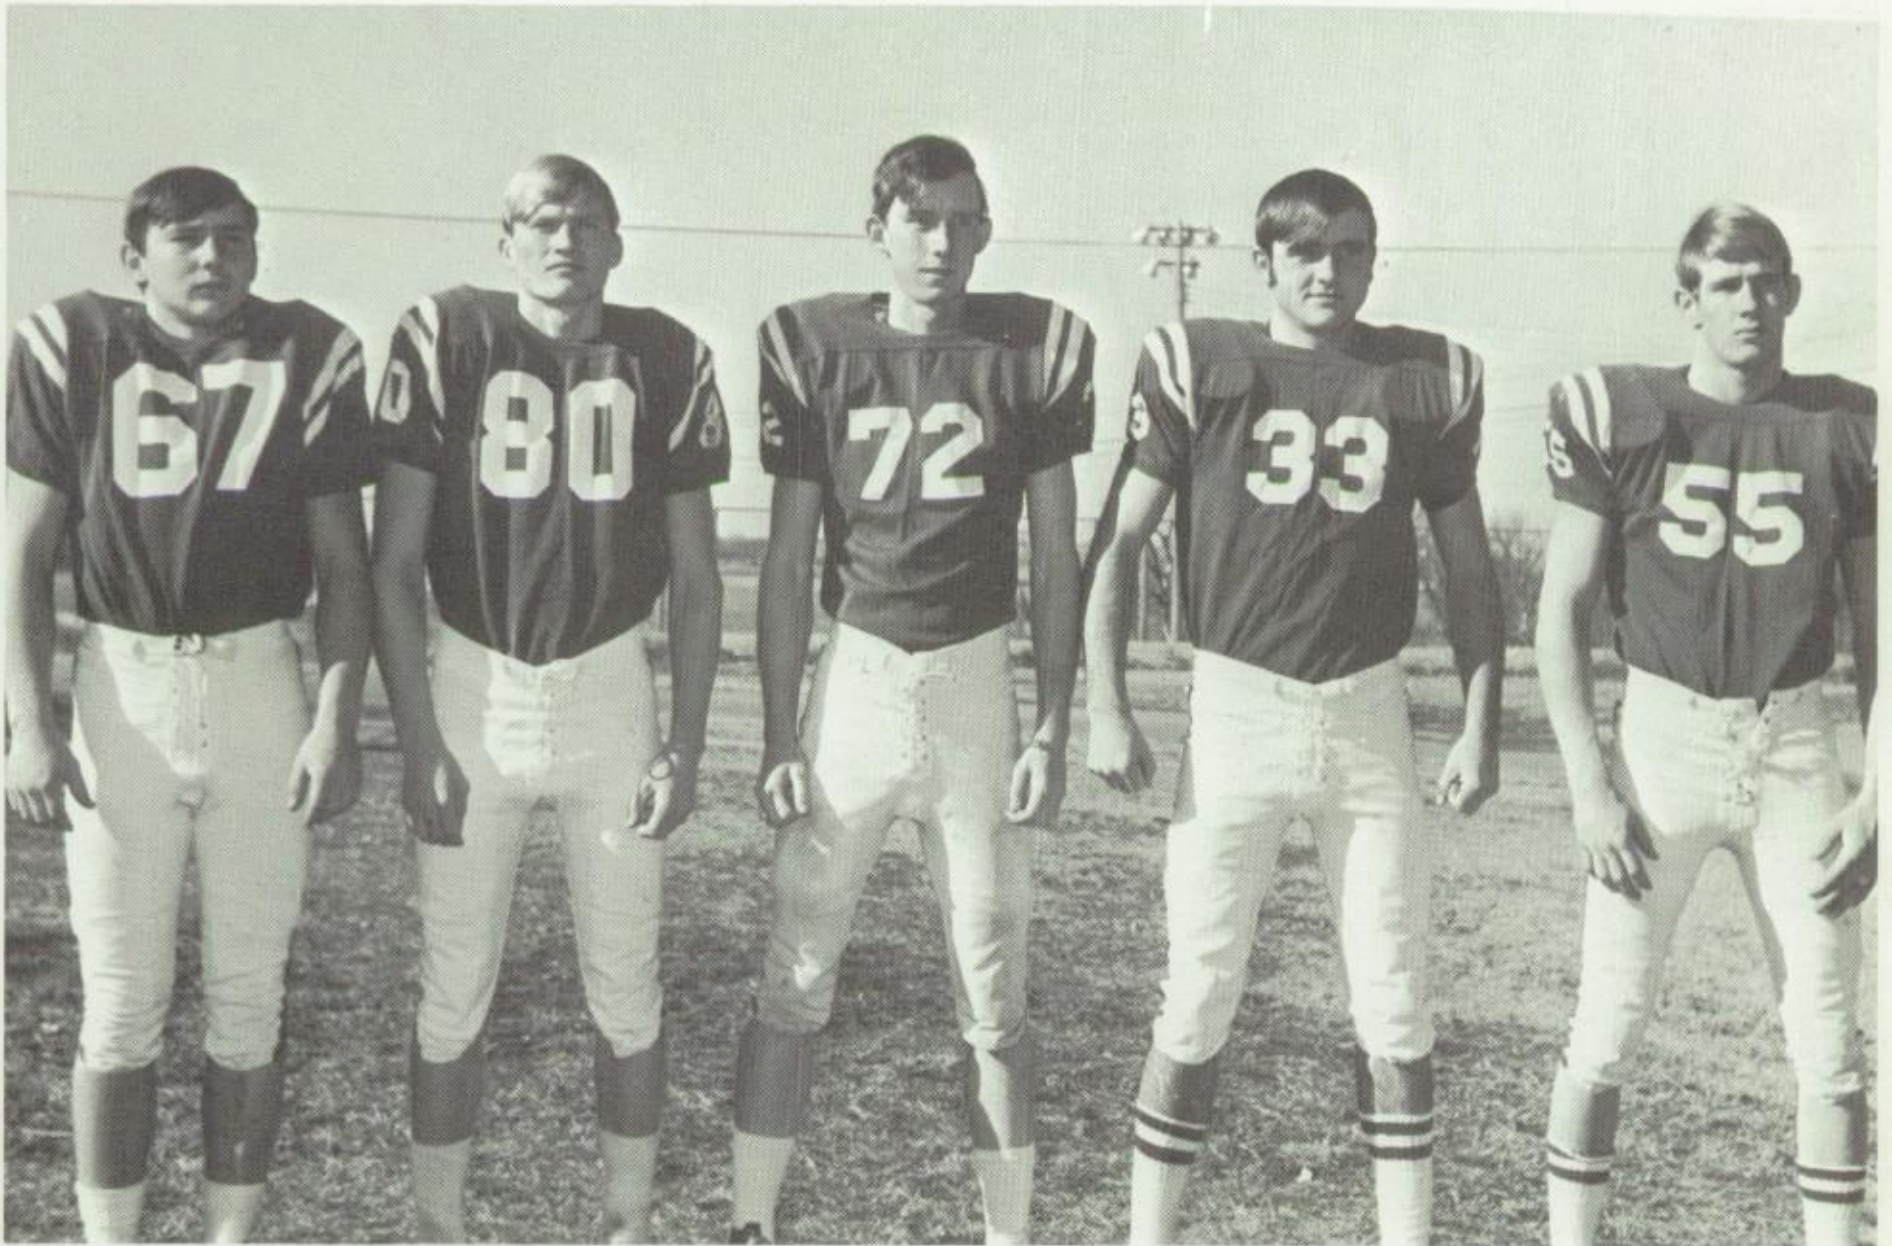

In the second half, the Tigers just could not get started. Prairie View racked up two more touchdowns before the Tigers scored the final six points.

For Coach Becker and the SHS Tigers, this game closed an amazing 9-2 season, when pre-season predictions stated they would "have trouble climbing out of the cellar."

John and Don received awards at Salina after Prairie View game.

1970 FOOTBALL SEASON

Stockton High School's 1970 football season truly was "A Time for Us." Throughout the football season the Tigers attained an 8-1 record in the Mid-Continent League.

This record qualified the Tigers for the Regional Playoffs November 20, 1970. In that game they met the Ellinwood Eagles, who possessed an identical record for the season, 8-1. The game resulted in a victory for the Tigers.

One week later they met the Prairie View Buffaloes in a bid for the Class 2A State Championship. The game resulted in a second place trophy for the SHS Tigers.

Individually, Rick Johnson received All-league and All-state tackle, offense and defense.

Perhaps another victory of which the Tigers can boast is the high morale which they possessed in each and every game.

They started the season with high hopes and confidence in their own ability. Those hopes and the confidence grew with each team victory.

The SHS Tigers were greatly encouraged by the backing and the renewed spirit of the townspeople and students.

QUITE A GAMBLE

One day a little boy came home from school with a black eye. The boy's mother asked her son who had given him the shiner. He looked up at his mother and told her that nobody gave it to him--that he had to fight for it.

The four wins of the 1970-1971 season were something the Tiger basketballers had to fight

for and definitely something that no one gave them.

It was no secret that the MCL was truly a tough team from top to bottom. To play full schedule against such a caliber of competition with a roster boasting nothing but inexperience would be a gamble. But we gambled and lost 15 times out of 19.

Gene H. jumps high for the tipball.

Randy N. blocks the shot.

After hard work-outs and vigorous practices, the SHS Girl's Track Team proved their athletic abilities in three meets. The SHS girls broke two league records at the MCL meet. Janell Locke, previously a co-holder of the record, broke the 4'8" high jump record by clearing 4'10 1/2". The 220-yard relay team--Sandy Arends, Rita Ware, Julie Desbien and Kathy McComb--set the second record by running the distance in 27.8 seconds.

Homecoming

A Time For Us

Homecoming 1970 was truly a time for us. It was an action-packed time full of fun, laughter, and work which highlighted the school year. Homecoming created a nostalgia felt not only by the students, but by the townspeople as well.

The actual preparation for Homecoming began several weeks in advance as organizations and individuals planned projects. Students really started getting anxious for Homecoming when the classes met to plan their floats. After the theme was chosen and organized, every hour seemed to have been counted until the very minute the actual float building began. Each class, of course, was thoroughly convinced that their float would cinch first prize.

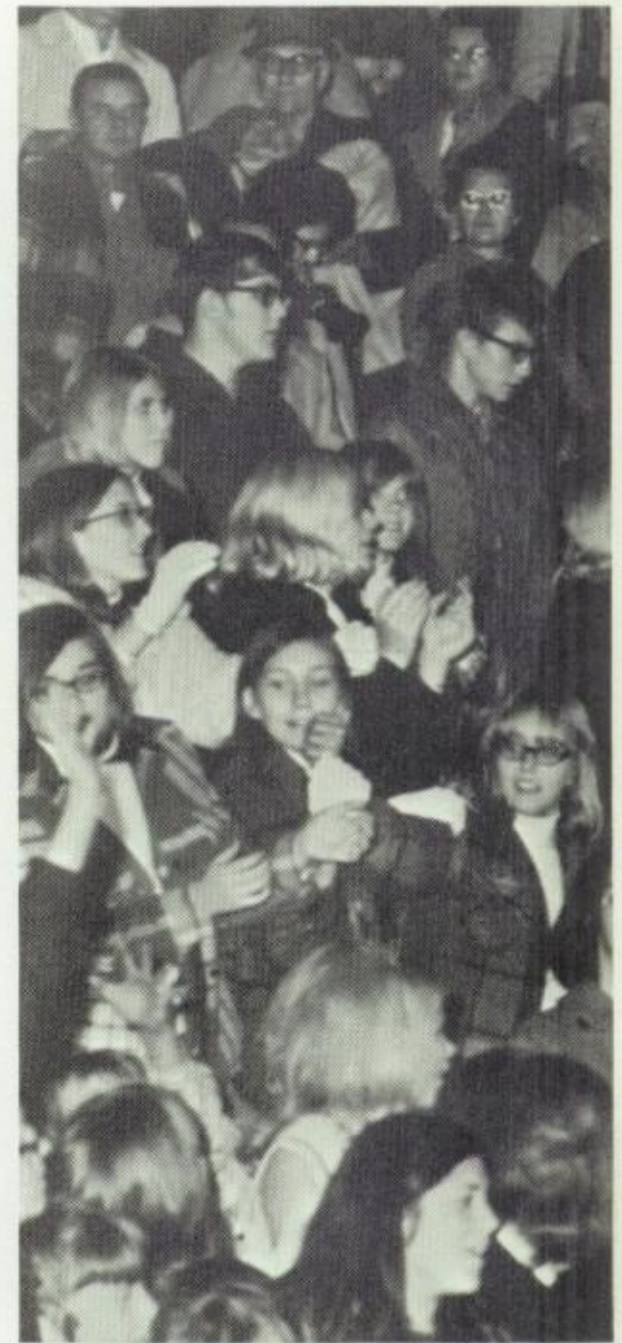

The band, twirlers, and pompom girls felt the excitement and pressure of Homecoming as they practiced their halftime show. They wanted it to be one of the most impressive ever.

The Pep Club and cheerleaders played an important part by building school spirit. The halls became literally plastered with signs, crepe paper, and balloons. They also decorated the football stadium and City Hall--where a dance was sponsored by the VFW Auxiliary following the game.

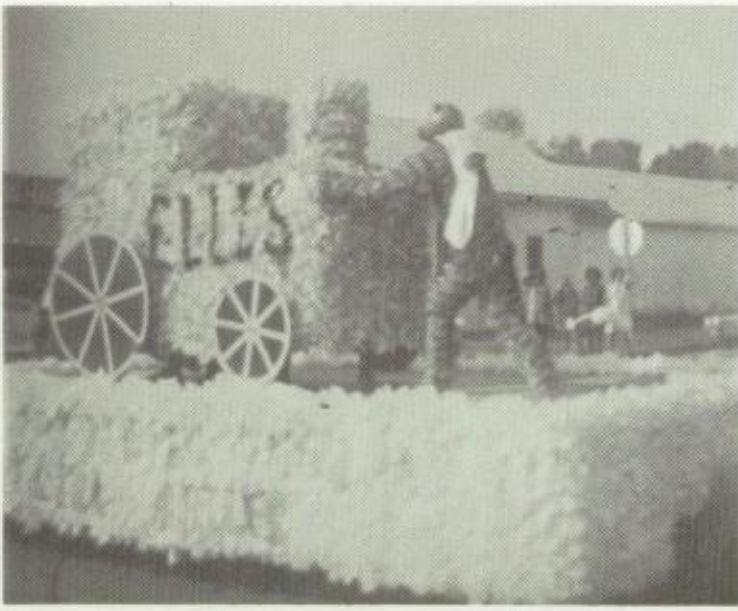

Of course, the tough football team felt very anxious, eager, and probably very nervous. They worked toward a perfect game where they literally tromped the opposing team.

Then the last vital part of Homecoming is the royalty. Candidates excitedly awaited that magical moment of the King and Queen coronation, hoping the honor of being crowned would be theirs.

Everyone working together for an exciting Homecoming gave us something to be proud and happy about. Homecoming truly was a time for us.

WE'VE GOT SPIRIT

The determined efforts of the Varsity cheerleaders, the B-team cheerleaders, and the Tigerettes helped the Pep Club give their wholehearted support to the teams throughout the year.

Marked by spirit the six A-team cheerleaders - Judy Towns, head; Jude Clark; Kathy McComb; Cindy Turnbull; Becky Waller; and Shannon Krysl - maintained an aura of enthusiasm during the athletic seasons. These cheerleaders found honor through their spirit at the National Cheerleaders Association Camp. They brought home the NCA Spirit Stick and many top ribbons.

The B-team cheerleaders, Jerry Atwill, head; Becky Korb; Connie Poore; and Shelley Conn; through the use of skills learned at National Cheerleaders Association Clinic promoted a great deal of spirit.

The ten active pompom girls, Valeria Hoar, head; Becky Anderson; Dee Bates; Julie Desbien; Charlotte Dryden; Chris Jenkins; Janell Locke; Sara Marshall; Rhonda Miller; and Dana Muir, using the techniques learned during a workshop at Bethany College last summer, entertained crowds all year with routines such as "Southtown USA," "Eli's Comin'," "Build Me Up Buttercup," and "People Got to be Free."

All three of these groups were diligently supported by the Pep Club sponsors, Mrs. Hart and Miss Leiker.

FHA WEEK

FHA Week, March 28 through April 3, abounded with various activities for the FHA members, SHS teachers, and Mr. Homemaker candidates.

The day-to-day activities of the week encompassed an all-school locker clean-up and an informative talk to the eighth-grade girls concerning FHA objectives.

Throughout the week, the Mr. Homemaker candidates performed such culinary feats as separating eggs, making and frosting cupcakes and unmolding jello. Each contestant received points for their ability in each task.

Another week-long attraction was the Mr. Leg Contest in which students placed penny votes on the most attractive legs of the male teachers.

The FHA Party on Friday, April 3 climaxed the week's activities. Sonny Clark was crowned Mr. Homemaker of 1971. Mr. Becker was the winner of the Mr. Leg Contest, and Mr. Pekarek was the runner-up.

AUCTION AND CROWNING HIGHLIGHTED GOBLIN'S GLORY

The Stockton Chapter of the Future Farmers of America sponsored the annual Goblin's Glory on the night of Saturday, November 14, 1970, in the high school auditorium. The fact that the event failed to appear on it's usual date of Halloween did not affect the number of townspeople and students who attended.

There were many varied contests and games for the entertainment of everyone--both young and old. Perhaps the most popular feature of the evening was the auction. The hottest items were tow paste-board boxes which brought a total of \$23.00.

The highlight of the Goblin's Glory, the crowning ceremony, arrived at ten o'clock. Harry Colburn and Mike Grover were in charge of the ceremony. Preceded by a fan-fare of trumpets, Kay Jones was crowned Queen and Lym Miller was crowned King. The first attendants were Dana Muir, and Terry Eggers. The second attendants were Becky Waller and Jerry Gaines.

National Honor Society

National Honor Society Council: Jude Clark, Secretary; David Baxter, President; Larry Riffel, Vice President; Delores Schindler, Treasurer; Mr. Pekarek, Sponsor.

The Stockton Chapter of the National Honor Society, inactive for the past year, became a working organization again this year. Its objectives were to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Stockton High School.

Twenty-two candidates officially became members of the National Honor Society at the Formal Initiation. Preceding the candlelighting ceremony, Mrs. Connie Conyac related the four symbolic principles of the organization to everyday living. The induction, the first such proceedings at SHS were most impressive.

Sponsoring a panel discussion of higher education between former Stockton graduates and Seniors was the Society's main project of the year. The panel proved to be helpful to those involved and as a result a similar improved project is planned for the coming school term.

Speech Carnival And State Contest Highlight Forensics Season

The one act play, "To Burn a Witch," pictured left with Charlotte Dryden as Mary and Jude Clark as Ruth, recieved a II rating in the state contest. Below, M.C. Steve Scott is an object of interest to Connie Poore and Becky Waller, impersonating elderly ladies.

FLOWERS FOR ALGERNON GIVES 22 SENIORS STAGE EXPERIENCE

On a black stage illuminated only by spats of light, '71 Seniors set scenes and enacted the life of Charly Gordon, one of the world's unlucky misfits. Randy Baughman played Charly. Chuck Look, Larry Riffel, and David Baxter were the scientists responsible for Charlie's transformation from a retardate to genius. Charlotte Dryden played the teacher with whom Charly fell in love. Backy Anderson played the role of Charlie's mother and the other fifteen members of the cast were people who either touched Charly in daily routine or his memories.

JUNIOR PLAY

About twenty students were involved in the SHS Junior class production of "Petey's Choice," a three-act comedy presented November 23 and 24 in the high school gymnasium. It was under the direction of Miss Louise Brokaw, speech instructor.

"Petey's Choice" was an original comedy by Fred Carmichael produced in accordance with Samuel French, Inc. The play revolved around the Lansing family and showed the way a man's family saved him from compromising his principles. Peter Lansing's past caught up with him when a recording he made as "Petey" Lansing fifteen years earlier suddenly became Number One on the Hit Parade. Peter was about to be appointed president of the college where he taught when he was catapulted into the public eye and became the newest rage. When he was almost coerced into accepting the presidency under the terms of the conservative Board of Trustees, his wife and two daughters took a desperate gamble for him behind his back. The lines were funny and the situations uproarious, but underneath lay the lesson that education should be modernized and teaching methods adapted to the student of today.

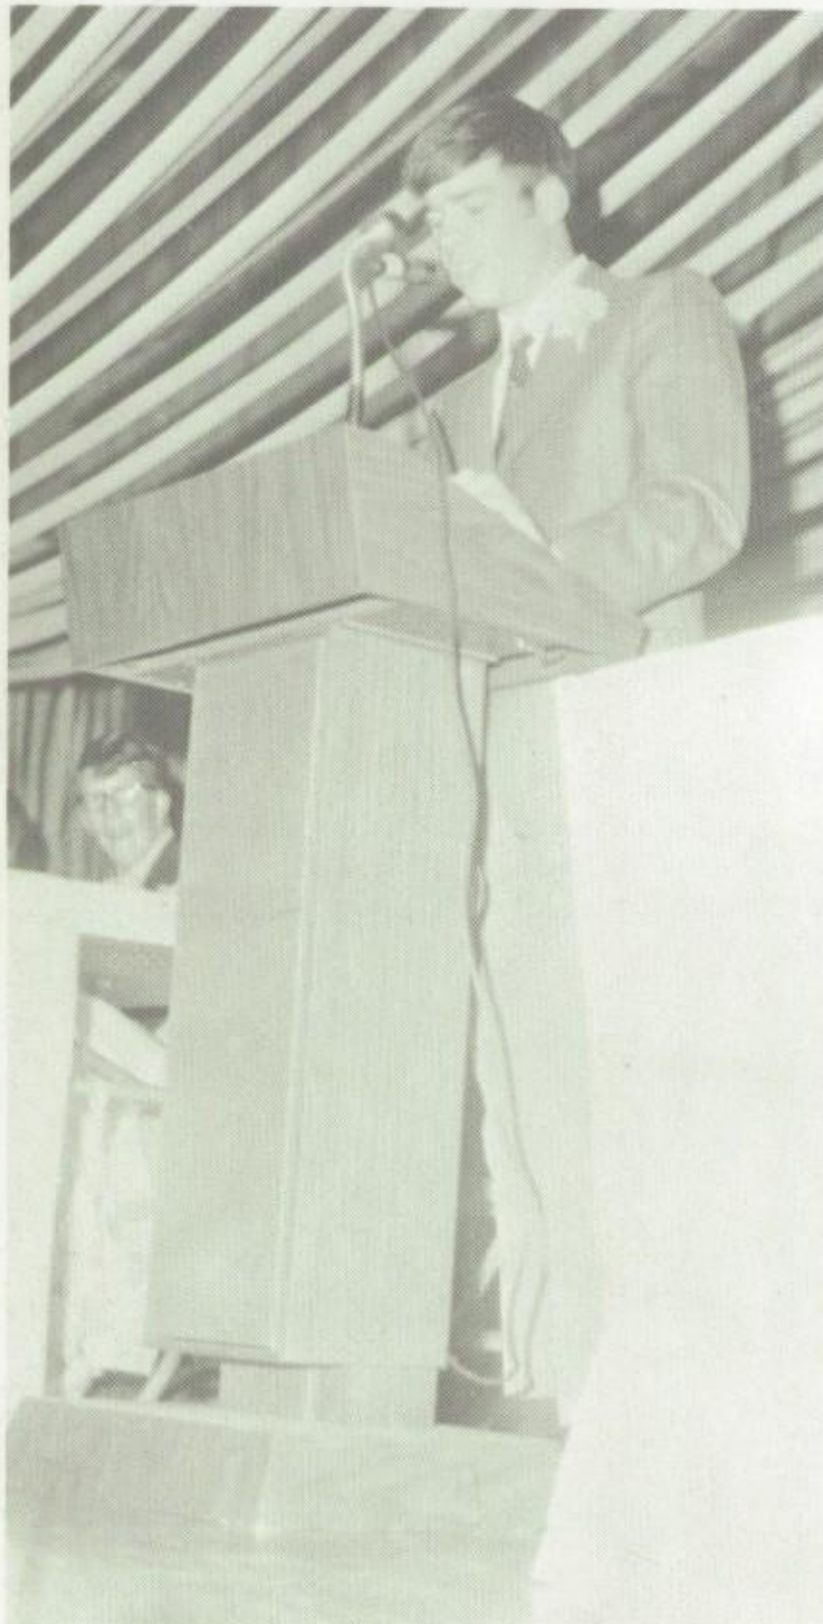

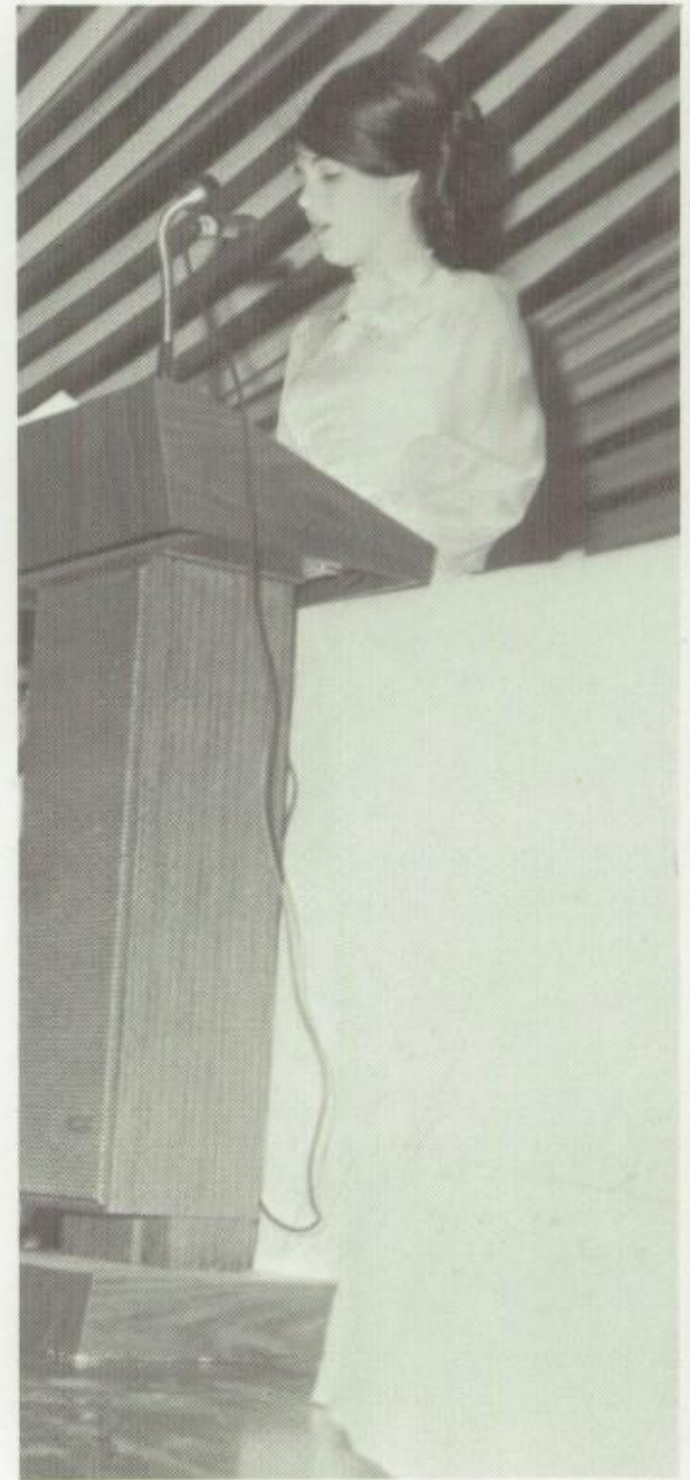

Boys, does building a set require work?

1971 Prom

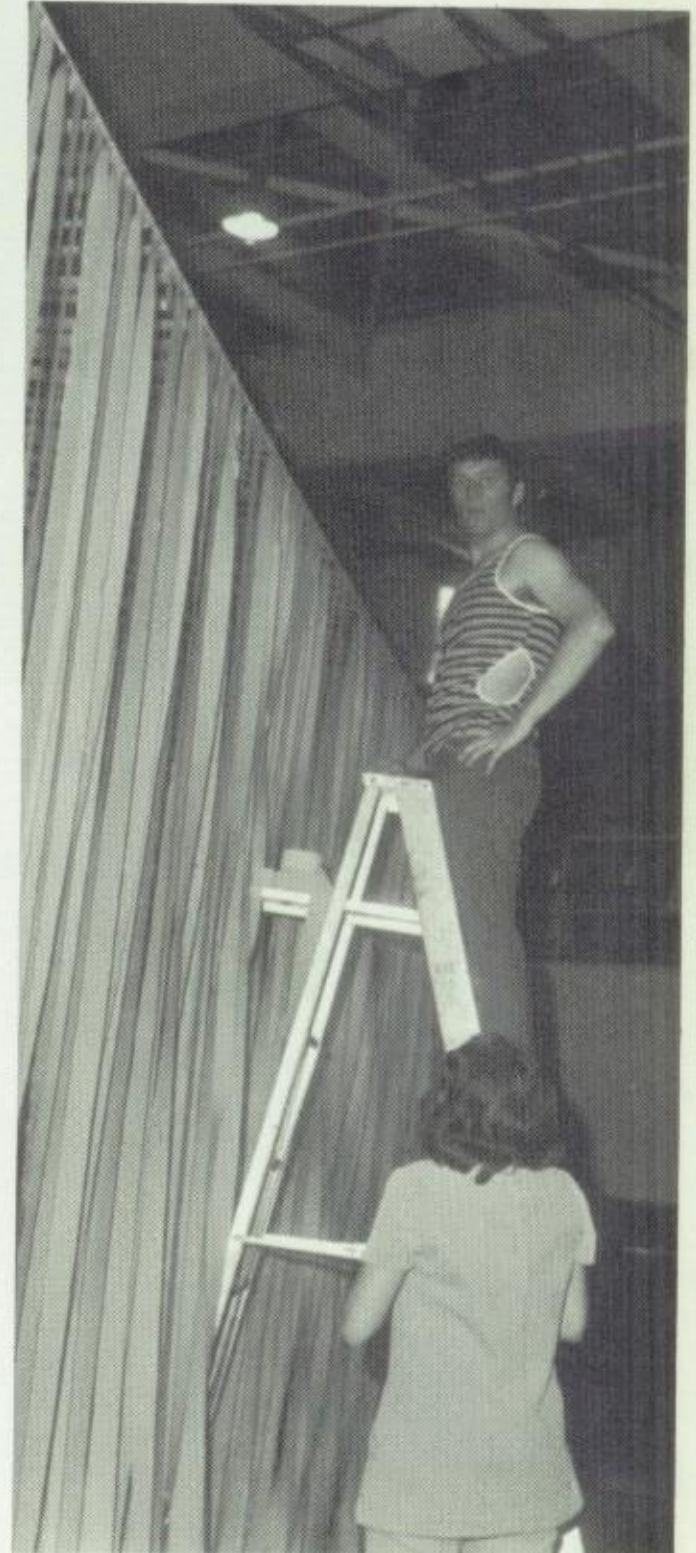

Tahitian Holiday

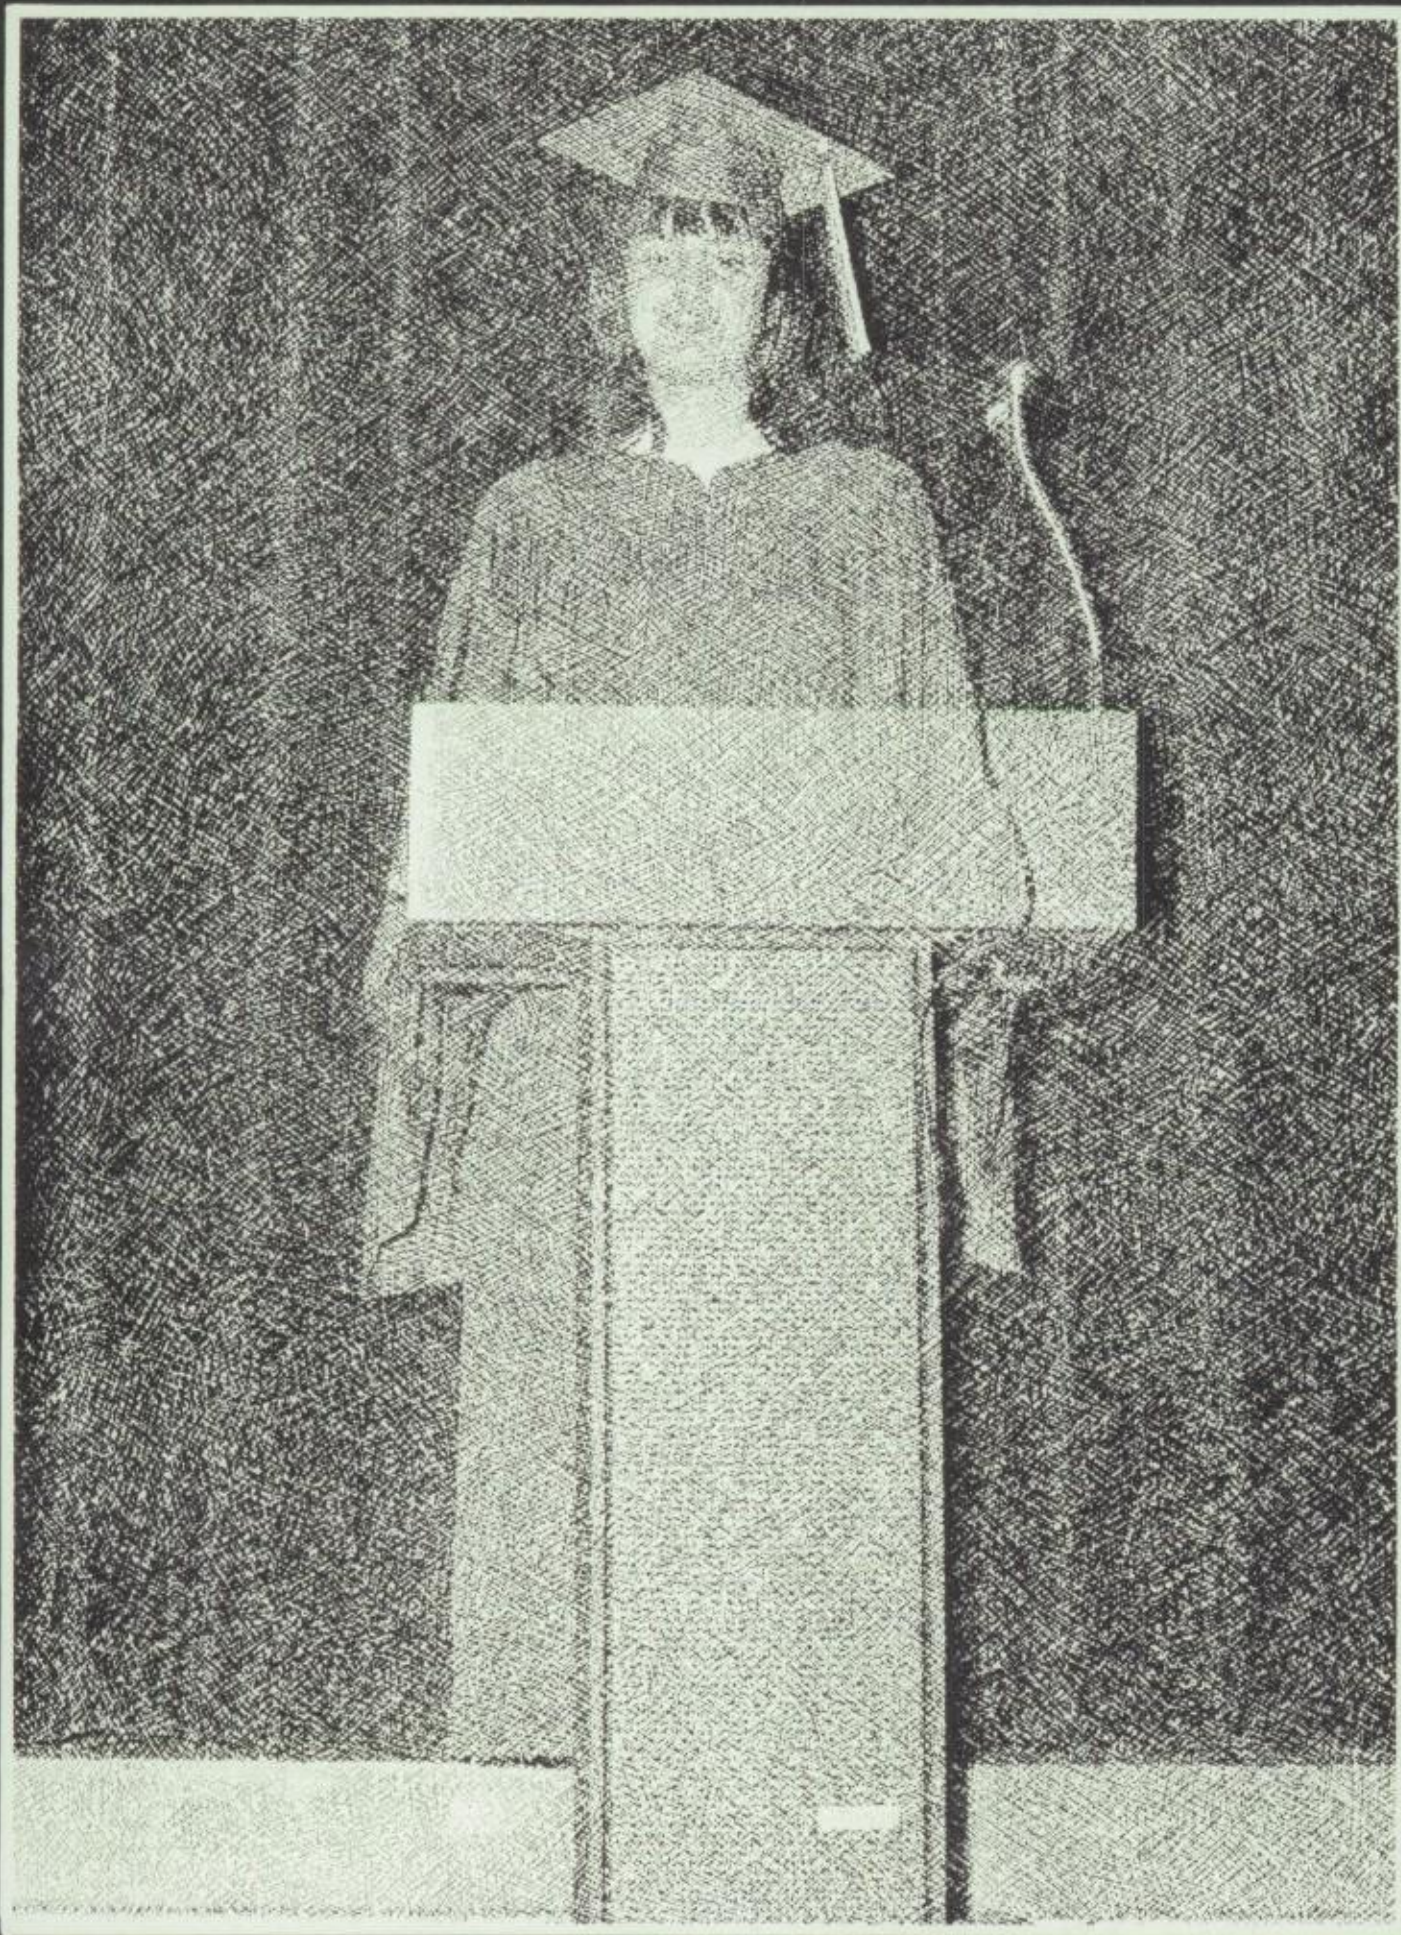

A profusion of topical flowers blooming from hedges and vines, tropical birds perched among the palm trees--this "Tahitian Holiday" was the setting of the Junior-Senior Banquet and Prom. The gala event on May 8 in the High School gymnasium was the social highlight of the year for Juniors and Seniors.

Reverend Don Rock gave the invocation, and Junior class president Randy Nyp extended the welcome. Jude Clark responded for the Senior class. The Senior Will and Prophecy were read by two Seniors, Charlotte Dryden and Chuck Look, respectively.

Following the dinner, "The Mother Country" furnished dance music for the Prom.
